Would you like to experience a real international school this summer? This is a great opportunity to acquire the study habit of actively looking for problems through an exciting and thrilling experience.

We plan to hold a program featuring:

- Inquiry-Based Active Learning
- TDU: Trans Disciplinary Unit
- Outdoor Education
- Arts & Crafts
- Sports
- English Language Development

Please take a moment to fill out and submit [this form](#) by noon, 31 May. Class registration will close when the student number reaches our maximum capacity. We apologize for any inconvenience this may cause and appreciate your understanding.

The Summer Program provides a student-centered, inquiry-based, hands-on program where students learn in a relaxed and engaging environment. All weekly sessions include English, music, art, and sports, as well as pool time.

### SUMMER SESSION PROGRAM

**We follow the Aoba Inquiry Cycle:**

1. Learning Readiness
2. Engaging with Skills, New Ideas, and Information
3. Digging Deeper and Consolidating Conceptual Understanding
4. Applying New Knowledge

**Students will be equipped after the inquiry-based learning with the following benefits:**

- Confidence in speaking in public
- Reinforced creative reading and writing skills
- Improved SDG Community building and social skills
- Deeper understanding of the Aoba learner attributes

**Summer Session Attire**

- Private Clothes
- Hat/Cap (Children without a hat/cap cannot participate in outdoor activities)

- Refillable water bottle
- A “2026 Summer” T-shirt will be provided on the first day.

**Swimming/Water play**

- Students use a portable soft plastic pool
- Please keep all wet clothing in a strong, waterproof bag
- Swim gear, bath towel, sunscreen, change of clothing

Due to climate change, it's often too hot to swim in the pool during the day, and we can't play on the school grounds either. Since we want to have as many pool activities as possible, students should bring swimming gear even if it's not on the schedule.

**Other Information**

- We are planning to have two outside day trips during the sessions, depending on the weather.
- The school will take students' pictures/video during the sessions and may use them for school promotional purposes.
- If we have serious concerns about a participating student's behaviour, we reserve the right to cancel the child's enrollment and will provide a refund for the remainder of the session.
